National Institutes of Health

Join us at the 2010 caBIG® Annual Meeting!

- **Learn** about the critical importance of biomedical informatics and information technology to advance research through collaboration.

  - **Discover** caBIG® capabilities to support your work and learn best practices from others who have developed and applied caBIG® technology to advance research from the bench to the bedside.

    - **Experience** unparalleled opportunities for networking and information exchange with leaders in biomedical informatics.

      - **Investigate** innovative tools and explore the caBIG® services-oriented architecture during hands-on sessions and demonstrations.
